

Brendon Williams

(919) 985-0759 | bwill619@icloud.com | github.com/bwill619 | bwill619.github.io

EDUCATION

The University Of North Carolina at Charlotte

Bachelor of Arts in Mathematics, Minor in Software Development

Charlotte, NC

Aug. 2016 – Dec 2021

EXPERIENCE

Sales Associate

Nike

Sep 2019 – Present

Charlotte, NC

- Assisted customers with footwear and apparel inquiries in person and over the phone.
- Performed general cashier duties using a standard cash register and mobile device checkout.
- Performed stockroom organizational duties and met sales and membership quotas.

Pharmacy Technician

Walgreens

Oct 2018 – Aug 2019

Charlotte, NC

- Greeted customers and answered non-medical questions and concerns.
- Printed and filled prescriptions for the lead pharmacist to review.
- Operated computer database to retrieve patient profiles, check status of current prescriptions, and enter new patient information.

PROJECTS

Personal Website | *HTML, CSS, JavaScript, Git*

- Developed a personal website that acts as a visual resume.
- Designed the framework of the website offline and built off of that design in Visual Studio Code.
- Hosted the website using GitHub Pages.

NBA Player Search | *HTML, CSS, JavaScript, Git*

- Developed an application that allows the user to search for a specific player's stats in the 2021 NBA season.
- Implemented the balldontlie.io API in the app to gather the data for each NBA player.
- Utilized the Postman app to view the JSON data of the API.

Hospital Database | *SQL, Java, Git*

- Developed a hospital database for an assignment in a SQL course.
- The database was designed from an entity-relationship diagram and created in MySQL.
- The external GUI application for this database was built with Java Swing.
